Mr. Brian Toth  
Curves For The Cure  
223 River Oaks Drive  
Milford, MI 48381

Dear Mr. Toth:

It is inspiring to serve with community partners, like you, who see philanthropy as an investment and who envision the amazing transformations that their gifts make possible. You have provided a great example of this with your thoughtful gift of \$14,000 in support of the Cancer Care Fund at St. Joseph Mercy Ann Arbor.

Your gift will help to maintain our state-of-the-art cancer program. It allows us to add new treatment options, enhance clinical research opportunities and medical expertise and, ultimately, provide compassionate care -- and hope -- for our patients and their families in a location that is close to home.

Our mission is to be a compassionate and transforming healing presence within the communities we serve. Community support allows us to enhance our health care services, acquire advanced technology for leading-edge treatment options and improve our facilities, always putting the patient at the center of everything we do. Donors such as you are among a select group of people who serve as true partners in our efforts to heal body, mind and spirit.

On behalf of our physicians and staff, and, most of all, our patients and their families, thank you for making this generous gift in support of St. Joseph Mercy Ann Arbor.

Sincerely,

Fran Petonic  
Regional Vice President for Development  
Saint Joseph Mercy Health System

*For tax purposes, no goods or services were provided to you by Saint Joseph Mercy Health System in exchange for your gift. Your gift, and any investment income earned as a result of your contribution, will directly support the area you have designated. Please keep this letter as your receipt.*
